

Kevin Fitzgerald

Born in Washington, D.C. in 1953, Kevin was drawn to painting from early childhood. Citing the 19th century Romantics and Tonalists as inspiration, the work is both assuaging and triumphant in depicting the divine landscape. Fields, farms, marshes, and ponds all comprise the working vocabulary of a painter who glorifies the Great Mid-Atlantic region.

Education –

Corcoran School of Art, Washington, DC

B.F.A. Maryland Institute College of Art, Baltimore, Maryland 1977
