Gene Costanza is a contemporary realist painter of traditional subject matter focusing primarily on landscapes and man's interaction within it. Through his participation in the country's top plein air events, Costanza has established a reputation as one of the leading plein air artists. Equally at home in the studio, Costanza often utilizes the information he has gathered "en plein air" to compose a larger painting.

An award winning artist, Costanza's work graces the walls of collectors, corporations and museums. To learn more about him, visit his website at www.genecostanza.com.

Contact Crystal Wagner, cwagner@mgalleryoffineart.com, 941-993-3907 or register online at www.mstudiosarasota.com/workshops.
