## ART OF THE REAL: SANDRA WALKER RI

On Display from April 6, 2012 – April 30, 2012

CHARLESTON, SC (September 2011)- M Gallery of Fine Art SE is pleased to present “Art of the Real,” an exhibition featuring watercolorists Angus McEwan RWS ARWS, David Poxon RI, Denis Ryan RWS and Sandra Walker RI. As with many movements in the history of art, these artists have come together in celebration of common ideals. The show will be composed of approximately 40 watercolors, with 10 pieces from each artist. The show will hang from April 6<sup>th</sup> – April 30<sup>th</sup>, after which time it will travel to other cities in the U.S. The opening reception will be held on Friday, April 6<sup>th</sup>, in tandem with the First Friday Art Walk.

Sandra Walker RI:

As a master painter of the cityscape, Sandra Walker aligns herself with artists that pay tribute to the common place. The buildings that she chooses to paint are fast disappearing vestiges of the past. Walker points out that this choice is purely visceral – it’s as though they choose her. The attachment to her subjects is emotional and these fascinating buildings are full of human interest, giving a feeling of being in that particular moment in time.

*To my mind these subjects transcend mere replication, but exist in their own right.*
