Join Albert Handell in this exciting 3-day indoor studio painting workshop. You will be learning what to select and what to take out of your paintings to make a strong design and statement. It will be an opportunity to see how a Master Artist works in a studio setting to perfect his outdoor studies and bring life to his photographic material. The workshop is geared to all levels of artists of the landscape and the still life who have experience working in pastels, oils, or water media.

The workshop will be held indoors while working from your landscape photographs and/or outdoor studies. Those who wish to work from still-life are welcome to do so. In the afternoon, Albert will give individual help to each artist at the easel, and help you achieve better studio paintings.

The three daily morning demonstrations are either in pastel or mixed media pastel (watercolor and pastel) or in oils and critiques are given every day.

We will paint from 9:30 AM to 4:30 PM daily.
