5- Day Portrait/Figure Workshop

Price: \$550.00

November 7 - November 11, 2011

9:00 a.m. - 4:00 p.m.

John Singer Sargent:

Understanding the Importance of Value Structure

The fundamental understanding of values in painting is essential to the technique of Sargent. This workshop isolates the visual values, explains their relationships to each other, their importance in painting and a practical method for their use. The emphasis of the class will be on various techniques of *alla prima* painting used to create an artistic statement about the subject one wishes to paint.
